Governor Baker signed into law An Act Relative to Extending Certain State of Emergency Accommodations, which extends the expiration of the provisions pertaining to the Open Meeting Law to March 31, 2023. Specifically, this extension allows public bodies to continue holding meetings remotely without a quorum of the public body physically present at a physical meeting location, and to provide "adequate, alternative" access to remote meetings. When opting for remote meetings, the Town will provide access to such meetings via the Zoom platform and will record such meetings when in open session and will post such meetings as soon as possible.
