

Weston Middle School Council Agendas 2018-2019

**Agenda for
Thursday, March 28, 2019, 3:30-5:00 P.M.**

1. School Walk Protocol

For our next Council meeting tomorrow, we will be continuing our School Walk Protocol. Our last meeting was partially attended, and we agreed to continue our protocol for our next meeting. The purpose of this protocol is to give us an opportunity as a Council to make observations about our school as these relate to our focus on school climate. I hope it will serve to inform and guide some of our work together as we move forward in this process. It should be fun!

I have attached a copy of the protocol again.

Let's meet in room 113 at 3:30pm and I'll explain the rest from there.

Thank you!

John
