CoCreateX

Susan talked about what CoCreateX can do for us. It all boils down to helping us get up and running by Mid March with the tech side of the programming. Susan is working on the final contract with them. One thing they will be doing is staffing an open house every Sunday from 1 to 3. Board members are encouraged to be on hand then, ideally working on projects.

Website

Cecily has contracted with a company to redo our website. It is expected to take 10 weeks.

Signs on Front of Building

Cleats and pulleys have been ordered and will be arriving shortly. Facilities will install.

Programming

Audrey went through a long list of schedule and programming under consideration: including Newton Nomadic Theater (3/13 and 3/14), Open Mic Night, At Home in the Universe (story telling), Improve instructions, Jazz Jam Sessions, Dance instruction, QueenMab.org microtheater, Metalworx jewelry, Fiber arts classes, Painting classes, Crochet classes, Printmaking classes, Art Week 5/1 to 5/10.

Rentals

Jean reported on a half dozen rentals in the queue. There are a number of issues we are working on to make sure the rentals are successful (e.g., the sound system, podium, ...).

Adjournment

Meeting adjourned at 4:30.
