

TOWN OF WESTON  
TREE ADVISORY GROUP  
Minutes of March 17, 2021

ON LINE MEETING VIA ZOOM

Present: Lori Hess, Chair, Barbara Fullerton, Nina Danforth, Ed Recka , Jackie Jackson (DPW), Amit Fernandes, Elika Bahrevar

The meeting was called to order at 9:30 am.

1. General: No public comments.

2. Case Park Landscape Proposals.

There were proposals from several companies.

Cost estimates from all were very close for design of native trees, shrubs, and herbaceous plants in the Case Park.

We selected Tom Benjamin's company, Wellnesscapes

We would plan to start with a small area of the park and expand the plantings over time, rather than trying to plant the entire park at one time.

Lori will contact Charles Young in the Finance Office about arranging payment for the project.

We would plan to be installing the plants in the fall of this year.

Before proceeding with the project TAG will contact the Planning Board, since the park is on a Scenic Road, and the Historical Commission.

There will be a walk held on Ash Street on March 23 to examine trees that may need to be removed in order to install the new sidewalk

between the reservoir and the entrance to the Case Estate land  
between Ash St. and Wellesley St.

The meeting was ended at 10:10 am.

The next meeting will be held on March 31 at 10 am.
