Grant Discussion & Vote

1. Disc Golf at Weston Public Schools

The Board again reviewed and discussed a grant submitted by Chris Fehl to purchase and set up the Disc Golf course first planned at June Academy four years ago. This requires purchasing the tee pads and permanent baskets for the 12 holes (\$4,880). The course will have signage and maps and is easy to maintain. It can be used by WMS and WHS students for PE, after school and on the weekends.

Committee Discussion:

The Board revisited this grant but there was no further clarity on whether additional sources of funding from other organizations were going to be available. The Board will revisit this grant for a third time at the next board meeting on May 18, 2021

A motion to indefinitely postpone the grant for Disc Golf was presented and members unanimously approved. (Voted in favor: Augustine, Covington, Dickie, Golin, Hanser, Taylor)

2. Valerie Tutson: Right to Liberty Grant

The Board discussed and reviewed a grant submitted by the PTO Creative Arts Committee. Valerie Tutson will give a virtual presentation to the 5th grade, in which she discusses revolutionary ideals of the rights to life, liberty, and the pursuit of happiness inspiring students to write about the American revolution, part of the 5th grade curriculum. Before COVID, this presentation was instrumental in assisting students on their Wax Museum assignments.

A motion to approve the grant was presented and members unanimously approved. (Voted in favor: Augustine, Covington, Dickie, Golin, Hanser, Taylor)

Next Meeting: May 18th, 2021 at 9:30 am (via Zoom)
