Major Business

Mr. Kenneth Newberg and Ms. Alyson Muzila of the subcommittee are joined by Ms. Dorothy Presser of MASC and Assistant Mr. Jake Margolin. The agenda is to start by checking in on the process, and then review details from section G. Mr. Margolin screen shares older Weston and MASC versions of each policy respectively, followed by the new versions. The subcommittee had started section G at a prior meeting, and resumes where they left off at the 3/3/22 meeting.

For each policy, Ms. Presser summarizes the major differences, leading into discussion. Mr. Margolin adds that other members of the administration have already given input on some of the policies, and shared their responses and feedback. For most of the policies, the subcommittee agrees to adopt the MASC version with some rewording and other Weston-specific changes.

As time expires, the committee has almost completed section G, with a handful of policies in the section still remaining. The tentative timeline is to vote on sections A, B, and hopefully C in May; and so section G will be brought to the full committee after that. The subcommittee will reconvene in May to finish section G review and begin section I. After the brief discussion of timeline and next steps the meeting adjourns and members sign off.
