**Building**

There was no meeting on the building today. We still don't know when we will be able to get into the building to start to set up furniture, etc. Landscaping has started.

**Weston Media Center License**

Has been approved. We need a final town counsel review on a few details.

**Furniture**

Chairs have been ordered. Tables will be shortly. We need to schedule time to assemble the lab tables from Adam Wisnia. We identified four days that will work for us. Nicole will check with Adam to see what works for him.

**Equipment & Tools**

Audrey has been researching sound equipment and a digital piano.

Joel has been researching bike repair tool kits and cabinets. He has also talked with someone who may be interested in donating woodworking tools.

Joel, Audrey and Nicole toured the Brandeis MakerLab today. Ian Roy, the manager, offered to help us with recommendations for products and tools, as well as student support.

### **AIC Hiring**

We hope to be able to announce the new hire in a week.

### **Publicity and Branding**

Everyone should send articles for the May newsletter to Joel.

### **Programming**

Audrey will pick up and deliver the tent for Spring Fling. Nicole and Audrey will set up the sandwich boards to place out in front of the Old Library and on the Town Green side of the crosswalk. Joel, Alan and Paul will start setting up around 8 am on the Town Green.

### **Rentals**

We are already getting requests to rent the Reading Room. We want to confirm when will be able to get into the building and when we will need the room before committing to anyone.

### **Orientation Briefs**

Joel is setting up Google Drive folders on our westonaic Google account. He has started to upload files to this cloud drive (after cleaning them up). Anyone can upload to this drive, or send files to Joel and he will upload them.

### **Adjournment**

Meeting adjourned at 5:00.
