

Minutes from Woodland School Council

10/7/19

Submitted by Jill Looney

Introductions of each of the members of the council.

Jen will follow-up with Nadia from Dumpling Daughter as a community rep

At the council meetings, there will be a mix of "voted in" and volunteers from stakeholders in the Woodland Community.

Notes will be taken (a rotating role) and posted after each meeting- sign up sheet was passed around.

One new faculty meeting this year- Erin Connor (grade three)- 4th section moving up each year.

Worked to expand the Woodland Triangle (kindness, safety, learning)

Take care of self, others, and the community

Working to create one community with school-based expectations

- Using a voice scale

- Nonverbal signal

- Behavior matrix (shared spaces: caf, bathroom)

All part of taking care of others and our community

School created RST (responsive school team)- meet once a month to talk about tier one systems- what we want in place for the school

CST- classroom support team (support around social/emotional learning)- It is a "think tank"

Learning walkthrough- also aligned to the responsive classroom work we are doing

- Teacher language

- Clear is kind

- Consistent message/vocab.

October 25th-Principal coffee on social-emotional learning

32 survey responses: S & E and anxiety

Friday was the preferred day

Community Events

- Fall picnic/ Movie

- Jill and Emma reported that Bingo was the best event :-)

School year

- Positive feedback about BTSN

- Orchestra (such a positive experience)

- Bug Play (community building)
