TOWN MEETING

SECTION 1. For the election of officers and the determination of matters by ballot the annual town meeting shall be held on such Saturday in March, April or May as the Selectmen shall fix. For the transaction of all other business the meeting shall be held on the next Monday after such Saturday. Special town meetings may be held at such times as the Selectmen may order.

SECTION 2. Subject to law, the Selectmen shall fix and state in the warrant for the annual town meeting the hour at which the meeting shall be called and the polls opened, and the hour at which they may be closed, on the Saturday fixed under Section 1 for the election of officers and the determination of matters by ballot; and an hour, not earlier than 7:00 P.M., on the next Monday after such Saturday for the holding of the meeting for the transaction of all other business.

SECTION 3. Notice of an annual town meeting shall be given by posting at the Town Hall a copy of the warrant therefor not less than seven days before the day named in the warrant for said annual meeting and notice of a special town meeting shall be given by posting at the Town Hall a copy of the warrant therefor not less than fourteen days before the day named in the warrant for said special town meeting, and for every town meeting by posting at least two other copies at such other places in the Town as may hereafter be fixed by vote of the Town, or by vote of the Selectmen in case the Town has taken no action in the matter. The foregoing shall be deemed to be legal notification of such meeting, and the legal service of such warrant. In addition, the Town Clerk shall cause a copy of the warrant to be delivered or mailed, postage prepaid, to every residence in the Town at least seven days prior to the time named in the warrant for holding the meeting, but such delivering and mailing shall not be deemed to be a part of the legal service of the warrant and failure on the part of the Town Clerk to comply with this by-law shall not be considered a default of legal notice of said annual or special town meeting.

SECTION 4. In the event a town meeting, whether an annual town meeting or a special town meeting, fails to complete the business required by the warrant to be acted upon on the date designated in the warrant, the town meeting shall be adjourned from time to time, as designated, by vote of the meeting, Saturdays, Sundays, and holidays only excepted, until such business is completed.

SECTION 5. Notice of the adjournment of any town meeting, stating the time and place to which the meeting has been adjourned, shall be posted by the Town Clerk at the Town Hall as soon as practicable after the adjournment.

(Sections 1 - 5 amended effective 9-4-73.)

(Section 3 further amended effective 9-23-93.)

(Section 2 further amended effective 3-26-2-15.)

SECTION 6. The number of voters necessary to constitute a quorum at any town meeting shall be eighty (80), but any number may adjourn any meeting to a stated time and place. The Moderator shall determine and announce the presence of a quorum, and his determination shall be conclusive upon the question of fact unless his determination be doubted by a registered voter, in which case a count shall be taken and recorded in the records by the Town Clerk.

(Amendment Effective 9-11-12.)

SECTION 7. All articles in the warrant shall be acted upon in their numerical order unless the meeting by vote of two-thirds of the registered voters present and voting shall otherwise determine.

SECTION 8. After any article in the warrant has been acted upon, and disposed of, or passed over and so disposed of, such article shall not be considered at the same session of an annual or special town meeting except by vote of two-thirds of the registered voters present and voting on a motion to reconsider. A motion to reconsider may be made by either the prevailing or losing side but may not be entertained by the moderator unless made not later than the same session of the meeting at which all action is completed on the article under which the vote to be reconsidered has taken place. *(Effective 8-30-86.)*

SECTION 9

A. Voting Procedures. All votes on all motions, unless otherwise mandated by the laws of the Commonwealth or otherwise provided hereinafter, shall be taken initially by display of official voting cards or by such other methods or procedures, which may include the use of any electronic tally system, as may be voted from time to time by Town Meeting. Town Meeting may use an electronic tally system to provide for individually counted and reported votes on all motions or only on those motions that would require a supermajority greater than 2/3, or otherwise as may also be voted by Town Meeting.

B. Counting Votes.

i. The Moderator shall declare all votes, regardless of required quantum. If a supermajority is required by statute, such vote shall be individually counted using a standing vote count or an electronic tally system or otherwise; provided, however, that the Moderator shall have authority to declare a 2/3 vote without a count. If the Town uses an electronic tally system with individual votes counted and reported, the count shall be declared by the Moderator with the vote, even if a count is not otherwise required.

ii. Notwithstanding any other provisions of this Section 9, if any voter calls for a count immediately after the Moderator's declaration of the vote, or if the Moderator deems a count necessary or advisable for any reason, the Moderator shall call for a count using a standing vote count or an electronic tally system or otherwise and declare the outcome of the count. For any such vote initially taken using an electronic tally system, the Moderator shall manually tally the electronically recorded votes, if the electronic tally system so permits, order another electronic tally to be taken that provides a count of individual votes, or call for a standing vote count. In lieu of a complete vote count, the Moderator may choose to count the voters who appear to the Moderator to be in the minority first and then count the voters who appear to the Moderator to be in the majority only or at least to the extent necessary to determine the result of the vote, based on the required quantum.

iii. If the Moderator has reason to question the validity or accuracy of any kind of voting system, the Moderator may instead call for voice votes, standing vote counts, and/or ballot votes.

(Amendment Effective 5/15/2013)

(Amendment Effective 5/8/2017)

SECTION 10. When a question is before the meeting, the following motions, to wit:

- To adjourn,
- To lay on the table,
- For the previous question,
- To postpone to a time certain,
- To commit, recommit, or refer,

To amend,
To postpone indefinitely,

shall be received and shall have precedence in the foregoing order, and the first three shall be decided without debate.

SECTION 11. The procedure in town meetings when not otherwise prescribed shall be governed by the latest published edition of Town Meeting Time so far as applicable.

(Amendment Effective 5/12/2014.)

ARTICLE II

In all cases not otherwise provided for by law, the Selectmen may bring suit in the name of the town against the principal and sureties named in any bond given to the Town by any officer, agent, contractor, or other person for breach of the condition of such bond. The Selectmen shall cause the appearance and answer of the Town to be entered and made in all suits brought against the town at law or in equity, and may employ counsel to defend the same. They may commence and prosecute suits at law and in equity in the name and behalf of the Town in all cases not otherwise provided for by law, and may employ counsel therein. The Selectmen shall consider all claims made against the Town and may authorize the payment of any amount not exceeding twelve hundred (\$1,200.00) dollars in settlement of any such claim, and to effect such settlement the Selectmen may authorize the necessary payment from the town treasury of any funds not otherwise appropriated.

(Amendment effective 8-16-72.)

SECTION 3. Within forty-eight hours after the dissolution or adjournment without day of any town meeting, the Town Clerk shall transmit to the Selectmen, to the Town Treasurer, to the Auditor, and to the Assessors respectively, a certified copy of all votes appropriating money or authorizing the expenditure of money or otherwise affecting the finances of the Town, and within the same period the Town Clerk shall transmit to all other town officers or committees a certified copy of any vote of the Town affecting their respective powers or duties.

SECTION 4. The annual town report shall be printed and bound under the direction of the Board of Selectmen. It shall contain the reports of town officers and committees required by law, and such other reports or materials as the Town or the Board of Selectmen may direct. All Town officers and committees of the Town shall, unless otherwise directed, file their reports by the date determined by the Board of Selectmen.

(Amendment effective 10-10-02.)

SECTION 5. All Town officers and committees who intend to recommend appropriations or expenditures of money for the new fiscal year shall file such recommendations with the Selectmen not later than the twentieth day of December, and shall accompany such recommendations with all such information as may be requested by the Selectmen. The Selectmen in their annual report shall recommend a budget for the new fiscal year. This budget shall include in detail definite recommendations of the Selectmen relative to the amounts which

should be appropriated by the Town for all public purposes, and may include recommendations as to the financing of the expenditures recommended.

SECTION 6. The Town Clerk shall post the annual town report on the Town's website and shall cause a sufficient number of printed copies of the annual town report to be made available for Town residents desiring copies at the Town Library, Town Hall and at other such locations determined by the Board of Selectmen, not less than seven days before the day fixed for the annual town meeting.

(Amendment effective 12-1-08.)

SECTION 7. The Collector of Taxes shall cause to be printed upon each tax bill a statement of the law relative to the date when taxes are payable, the rate of interest charged on unpaid taxes, and the valuation upon which such tax is based.

SECTION 7A. Interest Charges-Past Due Bills. The due dates for the payment of all municipal charges and bills shall be 30 days after the charge or bill is issued by the Town, unless otherwise specified by a general law, special act of the Commonwealth or by the Board of Selectmen. Interest accrues at the same rate as charged on tax bills under the provisions of M.G.L. Chapter 59, Section 57. The Collector shall have the authority to waive interest totaling up to \$10. The Board of Selectmen shall have the authority to abate any such interest charges, in whole or in part.

(Effective 11-24-03.)

SECTION 8. Except as otherwise provided by law, no property of the Town shall be sold, exchanged, or otherwise disposed of, except with the written approval of the Selectmen duly recorded in their records.

SECTION 8A. The Selectmen may sell or authorize Town Committees or Officers to sell personal property of the Town of value not greater than two thousand (\$2,000.00) dollars. All other sales of personal property of the Town shall be made by the Selectmen either: (1) for the amount offered by the highest bidder after advertising such personal property for sale for one week in any newspaper having general circulation in the Town or (2) for an amount consistent with the value of the personal property as established by an up-to-date appraisal of such personal property obtained by the Selectmen prior to sale.

(Effective 9-30-77.)

SECTION 9. Except as otherwise provided by law, the Treasurer shall have custody of deeds, bonds, contracts, insurance policies, and other similar documents owned by the Town, except that the bond given by the Treasurer to the Town shall be in the custody of the Selectmen.

SECTION 10. There shall be a Finance Committee composed of nine voters of the Town who shall serve without pay and shall not, while serving on said committee, hold any other town office. Within thirty days after the adjournment of the annual town meeting, the Moderator shall appoint three persons to serve on said committee for a term of three years, ending with the final adjournment of the third annual town meeting thereafter held. The members of the committee shall hold office until their successors are appointed and qualified, and any vacancy shall be filled by the remaining members of the committee and the Town Clerk. The committee shall choose a chairman and a secretary, and shall, prior to the annual town meeting, confer with the Selectmen for consideration of the annual budget, and may confer with other town officers, and may hold public hearings. The committee may consider all financial and other questions coming before the Town for action or affecting the interests of the Town, and may at any time make reports or recommendations in print or otherwise to town officers or committees or to the voters,

and all such reports and recommendations shall be printed at the expense of the Town, if the committee so requests.

SECTION 11. The Collector of Taxes shall collect under the title of Town Collector all accounts due the Town, except the collection of interest on investments of sinking or trust funds. All bills for accounts due the Town shall state that all checks, drafts, or money orders shall be made payable or to the order of the Town of Weston and not to or to the order of any officer, board or commission.

SECTION 12. All town officers shall pay into the town treasury all fees received by them by virtue of their office.

SECTION 13.1 The town collector or other municipal official responsible for records of all municipal taxes, assessments, betterments, and other municipal charges, hereinafter referred to as the collector, shall annually, and may periodically, furnish to each department, board, commission or division, hereinafter referred to as the licensing authority, that issues licenses or permits including renewals and transfers, a list of any person, corporation, or business enterprise, hereinafter referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges and that such party has not filed in good faith a pending application for an abatement of such tax or a pending petition before the appellate tax board.

SECTION 13.2 The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers of any party whose name appears on said list furnished to the licensing authority from the collector or with respect to any activity, event or other matter which is the subject of such license or permit and which activity, event or matter is carried out or exercised or is to be carried out or exercised on or about real estate owned by any party whose name appears on said list furnished to the licensing authority from the collector; provided, however, that written notice is given to the party and the collector, as required by applicable provisions of law, and the party is given a hearing, to be held not earlier than fourteen days after said notice. Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any party. The collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension. Any findings made by the licensing authority with respect to such license denial, revocation or suspension shall be made only for the purposes of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from such license denial, revocation or suspension. Any license or permit denied, suspended or revoked under this section shall not be reissued or renewed until the licensing authority receives a certificate issued by the collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges, payable to the municipality as of the date of issuance of said certificate.

SECTION 13.3 Any party shall be given an opportunity to enter into a payment agreement, thereby allowing the licensing authority to issue a certificate indicating said limitations to the license or permit, and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however, that the holder be given notice and a hearing as required by applicable provisions of law.

SECTION 13.4 The Board of Selectmen may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officers or

stockholders, if any, or members of his/her immediate family, as defined in section 1 of Chapter 268A in the business or activity conducted in or on said property.

Section 13 shall not apply to the following licenses and permits authorized by the following Massachusetts General Laws: open burning, section 13 of chapter 48; bicycle permits, section 11A of chapter 85; sales of articles for charitable purposes, section 33 of chapter 101; children's work permits, section 69 of chapter 149; clubs, associations dispensing food or beverage licenses, section 21E of chapter 140; dog licenses, section 137 of chapter 140; fishing, hunting, trapping licenses, section 12 of chapter 131; marriage licenses, section 28 of chapter 207 and theatrical events and public exhibition permits, section 181 of chapter 140.

SECTION 14. The Town Manager shall, pursuant to the provisions of G.L. c. 82A and 520 CMR 14.00, designate a board or officer to issue permits for trench excavations and to establish fees therefor.

SECTION 15. The first 10 minutes of each meeting of every Town of Weston board and committee be made available for resident questions and comments, whenever possible, in the discretion of the chair.

(Effective 4/12/2008)

(Amendment Effective 5/20/2013)

ARTICLE XXIV
CRESCENT STREET HISTORIC DISTRICT

SECTION 1. This By-Law shall be known and may be cited as the Crescent Street Historic District By-Law and is adopted pursuant to Chapter 40C of the General Laws of the Commonwealth of Massachusetts, as amended, hereinafter the Historic Districts Act.

SECTION 2. Purpose.

The purpose of this By-Law is to promote the educational, cultural, economic and general welfare of the public through the preservation and protection of the distinctive characteristics of buildings and places significant in the history of the Commonwealth and the Town of Weston or their architecture, and through the maintenance and improvement of settings for such buildings and places and the encouragement of design compatible therewith.

SECTION 3. Historic District Boundaries.

There is hereby established under the Historic Districts Act an historic district to be known as the Crescent Street Historic District (the "District"), comprised of land shown on the Atlas of the Town of Weston as parcels 23-57, 23-58-01, 23-58-20, 28-13, 28-14, 28-15, 28-16, 28-17, 28-18, 28-19, 28-20, and 28-21, which District's location and boundaries are shown on a map entitled "Crescent Street Historic District Map, Weston, Massachusetts, April 1993" attached to and made a part of this By-Law.

SECTION 4. Historic District Commission Membership.

There is hereby established under the Historic Districts Act with all the powers and duties of an historic district commission under such statute, a Crescent Street Historic District Commission, consisting of five members to be appointed by the Board of Selectmen in accordance with the provisions of such statute. The appointments to membership in the commission shall be so arranged that the term of at least one member will expire each year, and their successors shall be appointed in the same manner as the original appointment for terms of three years. Vacancies shall be filled in the same manner as the original appointment for the unexpired term. All members shall serve without compensation. The Commission shall elect annually a chairman and vice-chairman from its own number and a secretary from within or without its number. Three members of the Commission shall constitute a quorum.

SECTION 5. Definitions.

Historic Districts Act: Massachusetts General Laws, Chapter 40C, as amended;

person aggrieved: the applicant, an owner of adjoining property, an owner of property within the district as that is within one hundred feet of said property lines and any charitable corporation in which one of its purposes is the preservation of historic structures or districts;

structure: means a combination of materials other than a building, including a sign, fence, wall, terrace, walk or driveway.

SECTION 6. Alterations and Construction Prohibited Without Certificate.

No building or structure within the District shall be constructed or altered in any way that affects exterior architectural features unless the Commission shall first have issued a certificate of appropriateness, a certificate of non-applicability or a certificate of hardship with respect to such construction or alteration.

No building permit for construction of a building or structure or alteration of an exterior architectural feature within the District and no demolition permit for demolition or removal of a building or structure within the District shall be issued by the Inspector of Buildings until the Certificate required by this section has been issued by the Commission.

SECTION 7. Procedure for Review of Applications.

(a) Any person who desires to obtain a certificate from the Commission shall file an application for a certificate of appropriateness, a certificate of non-applicability or a certificate of hardship. The application shall be filed in such manner and shall be accompanied by such plans, materials and their information as may reasonably be required by the Commission as set forth in its rules and regulations.

(b) A filing fee shall be included with all applications (except applications for a certificate of non-applicability), to be computed as follows: Twenty (\$20.00) dollars or 1/10 of one percent (1%) of the cost of the proposed exterior renovations, whichever is higher.

(c) The Commission shall determine within fourteen (14) days of the filing of a completed application whether such application involves any exterior architectural feature that is within the jurisdiction of the Commission. If the Commission determines that an application does not involve any exterior architectural feature or involves an exterior architectural feature that is not subject to review by the Commission under this Article, the Commission shall issue a certificate of non-applicability.

(d) If the Commission determines that an application does involve an exterior architectural feature subject to review hereunder, it shall hold a public hearing on the application, except as otherwise provided hereunder. The Commission shall hold such public hearing within thirty (30) days from the date of the filing of the completed application. At least fourteen (14) days prior to the public hearing, the Commission shall give public notice of the date, time, place and purpose of the public hearing by posting it in Town Hall and in a newspaper of general circulation in Weston.

A copy of said notice shall be mailed to the applicant, to the owners of all adjoining property and other property deemed by the Commission to be materially affected thereby as they appear on the most recent real estate tax list of the Board of Assessors, to the Weston Planning Board, to any person filing written request for notice of hearings, such request to be renewed yearly in December, and to such other persons as the Commission shall deem entitled to notice.

Within forty-five (45) days after the filing of the completed application, or within such further time as the applicant may allow in writing, the Commission shall make a determination on the application. If the Commission shall fail to make a determination within such period of time, the Commission shall thereupon issue a certificate of hardship.

A public hearing on an application may be waived if all persons entitled to notice hereunder agree to such waiving in writing, or a public hearing on an application may be waived by the Commission if the Commission determines that the exterior architectural feature involved is so insubstantial in its effect on the District that it may be reviewed by the Commission without public hearing on the application, provided, however, that if the Commission dispenses with a public hearing on an application, notice of the application and the waiver of the public hearing shall be given to the owners of all adjoining property and other property deemed by the Commission to be materially affected thereby as above provided and ten (10) days shall elapse after the mailing of such notice before the Commission may act upon such application.

SECTION 8. Factors to be Considered by the Commission.

In acting upon applications for a certificate of appropriateness, applicability or hardship, and in any matters before it, the Commission shall consider, among other things, the historic and architectural value and significance of the site, building or structure, the general design, arrangement, texture and material of the features involved, and the relation of such features to similar features of buildings and structures in the surrounding area. The Commission shall also consider any existing Deed Restrictions or other restrictive covenants and their effect on sites, buildings and structures within the district.

In the case of new construction or additions to existing buildings or structures the Commission shall consider the appropriateness of the size and shape of the building or structure both in relation to the land area upon which the buildings or structure is situated and to buildings and structures in the vicinity, and the Commission may in appropriate cases impose dimensional and setback requirements in addition to those required by the Weston Zoning By-Law.

When ruling on applications for certificates of appropriateness for solar energy systems, as defined in Section 1A of M.G.L. c.40A, the Commission shall also consider the policy of the Commonwealth to encourage the use of solar energy systems and to protect solar access.

SECTION 9. Limitation and Exceptions.

- (a) The Commission shall not consider interior arrangements or architectural features not subject to view from Crescent Street.
- (b) The Commission shall not make any recommendation or requirement except for the purpose of preventing developments incongruous to the historic aspects or the architectural characteristics of the surroundings and of the district.
- (c) The authority of the Commission shall not extend to review of one or more of the following categories of buildings or structures or exterior architectural features in the district:
 - (i) Temporary structures or signs, subject, however, to such conditions as to duration of use, location, lighting, removal and similar matters as the Commission may reasonably specify;
 - (ii) Terraces, walks, driveways and similar structures, or any one or more of them, provided that any structure is substantially at grade level;
 - (iii) Storm doors and windows, screens and window air conditioners;
 - (iv) Exterior colors, including the color of paint and the color of materials used on roofs;
 - (v) Signs of not more than one square foot in area in connection with use of a residence for a customary home occupation or for professional purposes, provided only one such sign is displayed in connection with each residence and, if illuminated, is illuminated only indirectly; and one sign in connection with the nonresidential use of each building or structure, which is not more than twelve square feet in area, consisting of letters painted on wood without symbol or trademark and, if illuminated, is illuminated only indirectly; or either of them.

- (vi) The reconstruction, substantially similar in exterior design, of a building, structure or exterior architectural feature damaged or destroyed by fire, storm or other disaster, provided such reconstruction is begun within one year thereafter and carried forward with due diligence.
- (d) The Commission may determine from time to time after public hearing that certain other categories of exterior architectural features, structures or signs in addition to any of those enumerated in this Section, may be constructed or altered without review by the Commission without causing substantial derogation from the intent and purposes of this Article.
- (e) Nothing in this By-Law shall be construed to prevent the ordinary maintenance, repair or replacement of any exterior architectural feature within the district, which does not involve a change in design, material, or the outward appearance thereof, nor to prevent landscaping with plants, trees or shrubs, nor construed to prevent the meeting of requirements certified by a duly authorized public officer to be necessary for public safety because of unsafe or dangerous condition, nor construed to prevent any construction or alteration under a permit duly issued prior to the effective date of this By-Law.

SECTION 10. Issuance of Certificate of Appropriateness; Certificate of Non-Applicability; Certificate of Hardship.

- (a) Certificate of Appropriateness. If the Commission determines that the construction or alteration for which an application for a certificate of appropriateness has been filed will be appropriate for or compatible with the preservation or protection of the district, the Commission shall cause a certificate of appropriateness to be issued to the applicant.

In the case of a disapproval of an application for a certificate of appropriateness, the Commission shall place upon its records the reasons for such determination, and shall forthwith cause a notice of its determination, accompanied by a copy of the reasons therefor as set forth in the records of the Commission, to be issued to the applicant, and the Commission may make recommendations to the applicant with respect to appropriateness of design, arrangement, texture, material and similar features. Prior to the issuance of any disapproval, the Commission may notify the applicant of its proposed action accompanied by recommendations of changes in the applicant's proposal which, if made, would make the application acceptable to the Commission. If within fourteen days of the receipt of such a notice the applicant files a written modification of his application in conformity with the recommended changes of the Commission, the Commission shall cause a certificate of appropriateness to be issued to the applicant.

- (b) Certificate of Non-Applicability. The Commission shall issue a certificate of non-applicability to an applicant in any case where the Commission determines that the construction or alteration under review does not involve any exterior architectural feature, or involves an exterior architectural feature which is not then subject to review by the Commission in accordance with this By-Law.

An applicant can apply for a certificate of non-applicability or the Commission can issue such a certificate of non-applicability in the event of an application for a certificate of appropriateness.

- (c) Certificate of Hardship. The Commission may issue a certificate of hardship in a case where the Commission determines that owing to conditions especially affecting the building or structure involved but not affecting the District generally, failure to approve an application will involve a substantial hardship, financial or otherwise, to the applicant and approval thereof may be made without substantial detriment to the public welfare and without substantial derogation from the intent and purposes of this By-Law.

An applicant can apply for a certificate of hardship or the Commission can issue such a certificate of hardship in the event that it determines that the construction or alteration for which a certificate of appropriateness has been filed is inappropriate and the other conditions for a certificate of hardship set forth herein have been met.

The Commission shall also issue a certificate of hardship in the event the Commission fails to make a determination of an application within the time specified in this By-Law.

SECTION 11. Other Power and Duties of the Commission.

- (a) Each certificate issued by the Commission shall be dated and signed by its chairman, vice-chairman, secretary or such other persons designated by the Commission to sign such certificate on its behalf.
- (b) The Commission shall keep a permanent record of its resolutions, transactions, and determinations and of the vote of each member participating therein, and may adopt and amend such rules and regulations not inconsistent with the provisions of this Article and the Historic Districts Act, and prescribe such forms as it shall deem desirable and necessary for the regulation of its affairs and the conduct of its business. The Commission shall file a copy of any such rules and regulations with the Town Clerk.
- (c) The Commission shall file with the Town Clerk and with the Inspector of Buildings a copy or notice of all certificates and determinations of disapproval issued by it.
- (d) The Commission may, after public hearings, set forth in such manner as it may determine the various designs of certain appurtenances, such as light fixtures, which will meet the requirements of the District and a roster of roofing materials, which will meet the requirements of the District, but no such determination shall limit the right of an applicant to present other designs to the Commission for its approval.
- (e) The Commission may, subject to appropriation, employ clerical and technical assistants or consultants and incur other expenses appropriate to the carrying on of its work. The Commission may receive and accept appropriations, grants and gifts for furthering the purposes of this By-Law and may expend the same for such purposes.
- (f) Meetings of the Commission shall be held at the call of the chairman and shall be called at the request of two members of the Commission and in such other manner as the Commission shall determine in its rules. A majority of the members of the Commission shall constitute a quorum. The concurring vote of a majority of the members of the Commission shall be necessary to issue a certificate of appropriateness, a certificate of non-applicability or a certificate of hardship.

SECTION 12. Severability.

In case any section, paragraph or part of the By-Law be for any reason declared invalid or unconstitutional by any court of last resort, every other section, paragraph or part shall continue in full force and effect.

SECTION 13. Appeals to and Enforcement by the Superior Court.

All appeals from any determination of the Commission shall be to the Massachusetts Superior Court. Any person aggrieved by a determination of the Commission may, within twenty (20) days after the filing of the notice of such determination with the Town Clerk, appeal to the Superior Court of Middlesex County, in accordance with the provisions of the Historic Districts Act.

Whoever violates any of the provisions of this By-Law shall be punished by a fine of not less than ten (\$10.00) dollars nor more than five hundred (\$500.00) dollars. Each day during any portion of which a violation continues to exist shall constitute a separate offense.

**ARTICLE XXVI
DEMOLITION DELAY**

Intent and purpose: The Demolition Delay by-law is enacted for the purpose of preserving and protecting significant buildings within the Town of Weston which are outside Local Historic Districts. Such buildings reflect distinctive features of the architectural, cultural, economic, political or social history of the Town, and their preservation promotes the public welfare by making the Town a more attractive and desirable place to live and work.

The intent of the by-law is not to permanently prevent demolition, but rather, to provide an opportunity to develop preservation solutions for properties threatened with demolition. The by-law is intended to encourage owners and townspeople to seek out persons who might be willing to purchase, preserve, rehabilitate or restore such buildings rather than demolish them, and to limit the detrimental effect of demolition on the historical architectural resources of the Town. To achieve these purposes, the Weston Historical Commission (“the Commission”) is empowered to advise the Building Inspector with respect to the issuance of permits for demolition of significant buildings, and, where appropriate and consistent with the intent and purpose of this by-law, to allow demolition under conditions designed to minimize the loss of distinctive features of significant buildings.

Definitions:

- I. “Building” - any combination of materials forming a shelter for persons, animals, or property.
- II. “Demolition” – any act of pulling down, destroying, removing, razing or moving a building or any portion thereof, or commencing the work of moving or of total or substantial destruction of a building or portion thereof, with the intent of completing the same;
- III. “Significant Building” – any building or portion thereof which in whole or in part was constructed by 1945, or is of unknown age, and which meets one or more of the following three criteria:
 - A. is listed on, or is within an area listed on, the National Register of Historic Places, or is the subject of a pending application for listing on said National Register; or

B. is included within a “significant area” or “further study area” inventoried or outlined by the Commission in the 1993-1994 Historical Resources Survey; or

C. is documented on a Cultural Resources Inventory form prepared by the Commission;

and, in addition, is determined by vote of the Commission to be of historical or architectural significance by reason of period, style, method or building construction, or by reason of its association with a particular architect, or a builder, or with a person or event of importance to the Town’s history:

IV. “Commission” - the Weston Historical Commission.

V. “Business Day” - any day which is not a legal municipal holiday, Saturday or Sunday.

Procedure

I. No demolition of a building, or any portion of a building, which was in existence as of January 1, 1945 or which is of an indeterminate age, shall be permitted except in conformity with the provisions of this by-law.

II. Upon receipt of an application for a demolition permit for any building, or portion thereof, which was in existence as of January 1, 1945 or which is of indeterminate age, the Building Inspector shall forward a copy thereof to the Commission within five (5) business days, and shall notify the applicant in writing of this action. No demolition permit shall be issued at that time.

III. Within twenty-one (21) business days of its receipt of a copy of an application for a demolition permit, the Commission shall make an Initial Determination as to the significance of the subject building. The Initial Determination shall be positive if the building, or a portion thereof, meets one or more of criteria (a) through (d) of the above definition of “Significant Building.” Otherwise, the Initial Determination shall be in the negative. The Commission shall notify the applicant of the meeting at which it intends to make its Initial Determination at least seven (7) days in advance of said meeting, and the applicant shall be given an opportunity to make a presentation to the Commission.

IV. The Commission shall notify the Building Inspector and the applicant in writing within ten (10) business days of its Initial Determination. If the Initial Determination is in the negative, or if the Commission fails to notify the Building Inspector of its Initial Determination within the said ten (10) business days, the Building Inspector may, subject to the requirements of the State Building Code and any other applicable law, by-laws, rules and regulations, issue a demolition permit.

V. If the Commission’s Initial Determination is positive, the Commission shall, within thirty (30) days of its Determination, conduct a public hearing to determine whether the Significant Building is preferably preserved; the Commission shall give public notice of said hearing by publishing notice of the time, place, and purpose of the hearing in a newspaper of general circulation in the Town twice, the first notice to be published at least fourteen (14) days before the hearing and the second notice no more than seven (7) days before the hearing, and by mailing a copy of said notice to the applicant, to the owner of the premises on which the Significant Building is located (if other than the applicant) to the owners of all property within three hundred feet of the premises on which the Significant Building is located as appearing on the most recent tax list, and to such other persons as the Commission shall deem entitled to notice.

VI. If, after a public hearing, the Commission determines that demolition of the Significant Building would not be detrimental to the historical or architectural heritage or resources of the Town, the Commission shall so notify the applicant, the owner, if other than the

applicant, and the Building Inspector, in writing, within ten (10) business days of such determination. Upon receipt of such notice, or upon the expiration of ten (10) business days from the date of the close of the Commission's public hearing, without having received any notification from the Commission, the Building Inspector may, subject to the requirements of the State Building Code and any other applicable laws, by-laws, rules and regulations, issue a demolition permit for the subject building.

- VII. If, after the public hearing, the Commission determines that demolition of the Significant Building would be detrimental to the historical or architectural heritage or resources of the Town, such building shall be considered to be a preferably preserved building, and the Commission shall so advise the applicant, the owner if other than the applicant, and the Building Inspector, in writing, within (10) business days, and no demolition permit shall be issued until twelve months after the date of such determination by the Commission.
- VIII. During the twelve months delay period following the Commission's determination that a building is to be considered preferably preserved, the Commission shall notify the Massachusetts Historical Commission, the Town Planner, and any other interested party in an effort to obtain assistance in obtaining preservation funding or in finding an adaptive use of the building which will result in its preservation.
- IX. Notwithstanding the preceding paragraphs, the Building Inspector may issue a demolition permit for a preferably preserved significant building at any time after receipt of written advice from the Commission to the effect that
- i) the Commission is satisfied that there is no reasonable likelihood that either the owner or some other person or group is willing to purchase, preserve, rehabilitate or restore such building, or
 - ii) the Commission is satisfied that for at least twelve months the owner has made continuing, bona fide and reasonable efforts to locate a purchaser to preserve, rehabilitate and restore the subject building, and that such efforts have been unsuccessful;
 - iii) the Commission has determined that the proposed moving or demolition may be conducted in a specified manner so as not to be detrimental to the historical or architectural heritage or resources of the Town.

Responsibilities of the Owner

Once a Significant Building is determined to be a preferably preserved building, the owner shall be responsible for properly securing the building, if vacant, to the satisfaction of the Building Inspector. Should the owner fail to so secure the building, a subsequent destruction of the building at any time during the twelve months demolition delay period, which destruction could have been prevented by the required security measures, shall be considered a demolition in violation of this by-law.

Emergency Demolitions

Notwithstanding the following provisions, the Building Inspector may issue a demolition permit at any time in the event of imminent and substantial danger to the health or safety of the public due to deteriorating conditions. Prior to doing so, the Building Inspector shall inspect the building and document, in writing, the findings and reasons requiring an emergency demolition, a copy of which shall be forwarded immediately to the Commission. Before allowing emergency demolition, the Building Inspector shall make every effort to inform the Chairperson of the Commission of his intention to allow demolition before he issues a permit for emergency demolition.

No provision of this by-law is intended to conflict with or abridge any obligations or rights conferred by G.L.c.143 regarding removal or demolition of dangerous or abandoned structures. In the event of a conflict, the applicable provisions of Chapter 143 shall control.

Historic Districts Act

Nothing in this by-law shall be deemed to conflict with the provisions of the Historic Districts Act, Massachusetts General Laws, Chapter 40C, with respect to requirements of notice, hearing and issuance by the Commission of a Certificate of Appropriateness, a Certificate of Non-applicability or a Certificate of Hardship prior to demolition of any building in an historic district.

Enforcement and Remedies

1. Except as provided below, whenever a significant building or any portion thereof has been voluntarily demolished in violation of this by-law, and for a period of two years after the date of completion of such demolition, no building permit shall be issued with respect to any premises upon which such demolition has occurred. As used herein, "premises" includes the parcel of land upon which the demolished significant building was located.
2. Notwithstanding the foregoing, whenever the Commission shall, on its own initiative, or on application of the landowner, determine that earlier reconstruction, restoration or other remediation of any demolition in violation of this by-law better serves the intent and purpose of this by-law, it may, prior to the expiration of said period of two years, but no sooner than six months from the date of completion of any demolition in violation of this by-law, authorize issuance of a building permit, upon such conditions as the Commission deems necessary or appropriate to effectuate the purposes of this by-law, and may so notify the Building Inspector pursuant to Section VIII of this by-law.

Severability

If any section, paragraph or part of this by-law for any reason declared invalid or unconstitutional by any court, every other section, paragraph and part shall continue in full force and effect.

ARTICLE XXVII

STORMWATER AND EROSION CONTROL

Section I. Purpose

- A. The purpose of this By-Law is to protect, maintain and enhance the public health, safety, environment and general welfare of the Town by establishing minimum requirements and procedures to control the adverse effects of soil erosion and sedimentation, construction site runoff, increased post-development stormwater runoff and nonpoint source pollution associated with new development and redevelopment. It has been determined that proper management of stormwater runoff will minimize damage to public and private property and infrastructure, safeguard the public health, safety, environment and general welfare of the public, protect water and aquatic resources, protect and enhance wildlife habitat, and promote groundwater recharge to protect surface and groundwater drinking supplies. This By-Law seeks to meet that purpose through the following objectives:

1. Establish a mechanism by which the municipality can monitor and ensure compliance with requirements of its National Pollutant Discharge Elimination System (NPDES) General Permit for Stormwater Discharges from Small Municipal Separate Storm Sewer Systems (MS4) and other applicable State and Federal mandates.
2. Establish decision-making processes surrounding land development activities that protect the integrity of the watershed and preserve the health of water resources.
3. Require that new development, redevelopment and other land alteration activities maintain the after-development runoff characteristics as equal to or less than the pre-development runoff characteristics where appropriate in order to reduce flooding, stream bank erosion, siltation, nonpoint source pollution, property damage, and to maintain the integrity of stream channels and aquatic habitats.
4. Establish minimum post-development stormwater management standards and design criteria for the regulation and control of stormwater runoff quantity and quality; establish minimum design criteria for the protection of properties and aquatic resources downstream from land development and land conversion activities from damages due to alterations in volume, velocity, frequency, duration, and peak flow rate of storm water runoff; establish minimum design criteria for measures to eliminate or minimize to the extent feasible nonpoint source pollution from stormwater runoff which would otherwise degrade water quality.
5. Establish design and application criteria for the construction and use of structural stormwater control facilities that can be used to meet or exceed the minimum post-development stormwater management standards.
6. Encourage the use of nonstructural stormwater management, better site design practices or “low-impact development practices”, such as reducing impervious cover, increasing site-wide infiltration, and preserving open space and other natural areas, to the maximum extent practicable.
7. Promote water conservation through the re-use of stormwater for irrigation.
8. Establish provisions that require practices that eliminate soil erosion and sedimentation and control the volume and rate of stormwater runoff resulting from land disturbance activities.
9. Establish provisions to ensure that soil erosion and sedimentation control measures and stormwater runoff control practices are incorporated into the site planning and design process and are implemented and maintained.
10. Establish provisions for the long-term responsibility for and maintenance of structural stormwater control facilities and nonstructural stormwater management practices to ensure that they continue to function as designed, are maintained, and pose no threat to public safety or the environment.

12. Establish administrative procedures for the submission, review, approval or disapproval of stormwater management plans, erosion and sediment controls, and for the inspection of approved active projects, and long-term follow up; Establish certain administrative procedures and fees for the submission, review, approval, or disapproval of stormwater plans, inspection of construction sites, and the inspection of approved projects.

13. Ensure that construction and waste materials, toxic materials, hazardous materials, and other pollutants are prevented from mixing with stormwater runoff, which would degrade water quality.

14. Establish the Town of Weston's legal authority and capacity to ensure compliance with the provisions of this By-Law through funding, permitting, inspection, monitoring, and enforcement.

- B. Nothing in this By-law is intended to replace the requirements of the Town of Weston Zoning By-Law, the Mass Wetlands Protection Act, the Town of Weston General By-Law, any other By-Law that may be adopted by the Town of Weston, or any Rules and Regulations adopted there under.

Section II Definitions

The following definitions shall apply in the interpretation and implementation of this By-Law. Additional definitions may be adopted by separate regulation:

ALTER: Any activity that will measurably change the ability of a ground surface area to absorb water, will change existing surface drainage patterns, or will increase or decrease the rate or volume of flow from a site.

BEST MANAGEMENT PRACTICE (BMP): Structural, non-structural and managerial techniques that are recognized to be the most effective and practical means to prevent and/or reduce increases in stormwater volumes and flows, reduce point source and nonpoint source pollution, and promote stormwater quality and protection of the environment. "Structural" BMPs are devices that are engineered and constructed to provide temporary storage and treatment of stormwater runoff. "Nonstructural" BMPs use natural measures to reduce pollution levels, do not require extensive construction efforts, and/or promote pollutant reduction by eliminating the pollutant source.

BETTER SITE DESIGN: Site design approaches and techniques, including low-impact development (LID) that can reduce a site's impact on the watershed through the use of nonstructural stormwater management practices. Better site design includes conserving and protecting natural areas and green space, reducing impervious cover, using natural features for stormwater management, and providing site-wide infiltration.

DEVELOPMENT: Any construction that disturbs or alters a parcel of land.

DISTURBANCE OF LAND (Land Disturbance): any action causing any removal of vegetation including tree and brush clearing; importation, removal or redistribution of soil, sand, rock, gravel or similar earth material. (Amendment effective 5/12, 2014)

EXISTING LAWN: Grass area which has been maintained and mowed in the previous two years. (Amendment effective 5/12, 2014)

IMPERVIOUS: Any material or structure on, above or below the ground that prevents water from infiltrating through the underlying soil. Impervious surface is defined to include, without limitation: paved surfaces (parking lots, sidewalks, and driveways), concrete, brick, stone, and roof tops.

INFILTRATION: The act of conveying surface water into the ground to permit groundwater recharge and the reduction of stormwater runoff from a project site.

LOW IMPACT DEVELOPMENT (LID): An ecosystem-based approach to land development and stormwater management that ensures that each development site is designed to protect, or restore, the natural hydrology of the site.

MASSACHUSETTS STORMWATER MANAGEMENT STANDARDS: The latest version as may be amended from time to time of the Stormwater Management Standards and accompanying Stormwater Handbook issued by the Department of Environmental Protection pursuant to authority under the Wetlands Protection Act, M.G.L. c. 131, § 40, and the Massachusetts Clean Waters Act, M.G.L. c. 21, §§ 26-53. The Stormwater Management Standards are incorporated in the Wetlands Protection Act Regulations, 310 CMR 10.05(6)(k) and the Water Quality Certification Regulations, 314 CMR 9.06(6)(a).

MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4) or MUNICIPAL STORM DRAIN SYSTEM: The system of conveyances designed or used for collecting or conveying stormwater, including any road with a drainage system, street, gutter, curb, inlet, piped storm drain, pumping facility, retention or detention basin, natural or man-made or altered drainage channel, reservoir, and other drainage structure that together comprise the storm drainage system owned or operated by the Town of Weston.

NONPOINT SOURCE POLLUTION: Pollution from many diffuse sources caused by rainfall, snowmelt, or other method of pollutant transport moving over and through the ground. As the runoff moves, it picks up and carries away natural and human-made pollutants, finally depositing them into water resource areas.

NORMAL MAINTENANCE: Activities that are regularly scheduled to maintain the health and condition of a landscaped area. Examples include removal of weeds or invasive species, pruning, mowing, raking, and other activities that are done at regular intervals within the course of a year.

PRE-DEVELOPMENT: The conditions that exist prior to the proposed disturbance activity. Where phased development or plan approval occurs (preliminary grading, roads and utilities, etc.), the existing conditions at the time prior to the first plan submission shall establish pre-development conditions.

POST-DEVELOPMENT: The conditions that reasonably may be expected or anticipated to exist after completion of the land development activity in accordance with approved plans on a specific site or tract of land. Post-development refers to the phase of a new development or redevelopment project after completion, and does not refer to the construction phase of a project.

RECHARGE: The replenishment of underground water reserves.

RECONSTRUCTION: Any action causing complete removal and replacement of paved surfaces, such as driveways, parking areas and roads.

REDEVELOPMENT: Any construction, alteration, improvement, repaving, or resurfacing on a previously-developed site.

RUNOFF: Rainfall or snowmelt water flowing over the ground surface or other source which may result in transport of pollutants.

SITE: The entire parcel of land being developed.

STOCKPILING: The storage of unsecured material for future use, excluding the storage of materials 10 cubic yards or less when secured utilizing erosion controls to prevent erosion of material.

STORMWATER MANAGEMENT: The use of structural or non-structural practices that are designed to control or treat stormwater runoff pollutant loads, discharge volumes, and/or peak flow discharge rates. Stormwater Management includes the use of Low-Impact Development (LID) management practices.

STORMWATER MANAGEMENT PERMIT (SMP): A permit issued by the Stormwater Permitting Authority (SWPA), after review of an application, plans, calculations, and other supporting documents, which is designed to protect the environment of the Town from the deleterious effects of uncontrolled and untreated stormwater runoff.

 - ii. Approve the Permit Application with conditions, modifications or restrictions that are required to ensure that the project will protect water resources and meets the objectives and requirements of this By-Law; or
 - iii. Disapprove the Permit Application if the proposed plan will not protect water resources or fails to meet the objectives and requirements of this By-Law.
- d. **Applications not in compliance with Design Standards.**
 - i. For applications where the SWPA has determined that the Design Standards are not met, the Applicant may appeal the determination and request a public hearing with the SWPA to consider the application or resubmit the application demonstrating compliance.
 - ii. For applications where the Design Standards cannot be met due to site conditions or

the applicant wishes to propose an alternative design not consistent with the Design Standards, the applicant may immediately request a public hearing with the SWPA.

H. Waivers. The SWPA may waive strict compliance with any of the requirements of this By-Law or the rules and regulations promulgated hereunder, if it determines that some of the application requirements are unnecessary because of the size or character of the development project or because of the natural conditions at the site and where such action is:

1. Allowed by federal, state and local statutes and/or regulations,
2. In the public interest, and
3. Not inconsistent with the purpose and intent of this By-Law.

Any request from an Applicant for a waiver of these rules shall be submitted, in writing, to the SWPA at the time of submission of the application. Such requests shall clearly identify the provision/s of the rule from which relief is sought and be accompanied by a statement setting forth the reasons why, in the applicant's opinion, the granting of such a waiver would be in the public interest or the specific information required to show strict compliance is irrelevant to the project, and why a waiver would be consistent with the intent and purpose of this By-Law and the rules and regulations promulgated hereunder.

Section VII. Performance Standards

Criteria for Stormwater Management Standards shall be defined and included as part of any Rules and Regulations promulgated under Section VI.C of this By-Law.

Section VIII. Enforcement

- C. The SWPA, or an authorized agent of the SWPA, may issue a written order to enforce the provisions of this By-Law or the Regulations, which may include requirements to:
 - 1. Cease and desist from land-disturbing activity until there is compliance with the By-Law or provisions of an approved Stormwater Management Permit;
 - 2. Maintain, install or perform additional erosion and sediment control measures;
 - 3. Perform monitoring, analyses, and reporting;
 - 4. Remediate erosion and sedimentation resulting directly or indirectly from land-disturbing activity;
 - 5. Comply with requirements in the Stormwater Management Permit for operation and maintenance of stormwater management systems; and,
 - 6. Remediate adverse impacts resulting directly or indirectly from malfunction of the stormwater management systems.

If the SWPA or its authorized agent determines that abatement or remediation is required, the order shall set forth a deadline by which such abatement or remediation must be completed.

- D. Criminal Penalties. Any person who violates any provisions of this By-Law, regulation, order or permit issued hereunder, shall be punished by a fine of not more than \$300. Each day a violation exists shall constitute a separate violation.
- E. Non-Criminal Disposition. As an alternative to criminal prosecution or civil action, the Town may utilize the non-criminal disposition procedure set forth in M.G.L. Ch. 40, §21D and Article V of the Town By-Laws, in which case any police officer of the Town of Weston, the Town Engineer, and such other persons as are authorized by the SWPA shall be the enforcing person. ARTICLE XXX
FARM PRESERVATION

Section 1 Legislative Purpose and Intent

The purpose and intent of this By-law is to state with emphasis the Right to Farm accorded to all citizens of the Commonwealth under Article 97, of the Constitution, and all state statutes and regulations thereunder including but not limited to Massachusetts General Laws Chapter 40A, Section 3, Paragraph 1; Chapter 90, Section 9, Chapter 111, Section 125A and Chapter 128 Section 1A. We the citizens of Weston restate and republish these rights pursuant to the Town's authority conferred by Article 89 of the Articles of Amendment of the Massachusetts Constitution, ("Home Rule Amendment").

This General By-law encourages the pursuit of agriculture, promotes agriculture-based economic opportunities, and protects farmlands within the Town of Weston by allowing agricultural uses and related activities to function with minimal conflict with abutters and Town agencies. This By-law shall apply to all jurisdictional areas within the Town.

Section 2 Definitions

Farming" or "agriculture" shall include farming in all of its branches and the cultivation and tillage of the soil, dairying, the production, cultivation, growing and harvesting of any agricultural, aquacultural, floricultural or horticultural commodities, the growing and harvesting of forest products upon forest land, the raising of livestock including horses, the keeping of horses as a commercial enterprise, the keeping and raising of poultry, swine, cattle and other domesticated animals used for food purposes, bees, fur-bearing animals, and any forestry or lumbering operations, performed by a farmer, who is hereby defined as one engaged in agriculture or farming as herein defined, or on a farm as an incident to or in conjunction with such farming operations, including preparations for market, delivery to storage or to market or to carriers for transportation to market.

(Amendment Effective 9.11.12)

Section 3 Right To Farm Declaration

The Right to Farm is hereby recognized to exist within the Town of Weston. The above-described agricultural activities may occur on holidays, weekdays, and weekends by night or day and shall include the attendant incidental noise, odors, dust, and fumes associated with normally accepted agricultural practices. It is hereby determined that whatever impact may be caused to others through the normal practice of agriculture is more than offset by the benefits of farming to the neighborhood, community, and society in general. The benefits and protections of this By-law are intended to apply exclusively to those commercial agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. Moreover, nothing in this By-law shall be deemed as acquiring any interest in land, or as imposing any land use regulation, which is properly the subject of state statute, regulation, or local zoning law.

Section 4 Disclosure Notification

Not later than 21 days after the purchase and sale contract is entered into, or prior to the sale or exchange of real property if no purchase and sale agreement exists, for the purchase or exchange of real property, or prior to the acquisition of a leasehold interest or other possessory interest in real property, located in the Town of Weston, the landowner shall present the buyer or occupant with a disclosure notification which states the following:

"It is the policy of this community to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food, and

other agricultural products, and also for its natural and ecological value. This disclosure notification is to inform buyers or occupants that the property they are about to acquire or occupy lies within a town where farming activities occur. Such farming activities may include, but are not limited to, activities that cause noise, dust and odors. Buyers or occupants are also informed that the location of property within the Town may be impacted by commercial agricultural operations including the ability to access water services for such property under certain circumstances.”

A copy of the disclosure notification shall be given on a form prepared by the Town and shall be signed by the landowner prior to the sale, purchase, exchange or occupancy of such real property. A copy of the disclosure notification must be filed with the Board of Selectmen or its designee prior to the sale, purchase, exchange or occupancy of such real property. In addition to the above, a copy of this disclosure notification shall be provided by the Town to landowners each fiscal year by mail.

Section 5 Resolution of Disputes

Any person who seeks to complain about the operation of a farm may, notwithstanding pursuing any other available remedy, file a grievance with the Board of Selectmen, the Zoning Enforcement Officer, or the Board of Health, in accordance with statute and appropriate bylaws and regulations of the Town. The filing of the grievance does not suspend the time within which to pursue any other available remedies that the aggrieved may have. The Zoning Enforcement Officer or Board of Selectmen shall forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance, and report its recommendations to the referring Town authority within an agreed upon time frame.

The Board of Health, except in cases of imminent danger or public health risk, shall forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance, and report its recommendations to the Board of Health within an agreed upon time frame.

Section 6 Severability Clause

If any part of this By-law is for any reason held to be unconstitutional or invalid, such decision shall not affect the remainder of this By-law. The Town of Weston hereby declares the provisions of this By-law to be severable. *(Effective as of May 15, 2005)*

Such records shall be retained for at least three years.

ARTICLE XXXV. PLASTIC BAG BAN

Section 1. Findings and Purpose

Plastic check-out bags have a significant impact on the marine and terrestrial environment, including but not limited to: 1) harming marine and terrestrial animals through ingestion and entanglement; 2) polluting and degrading the terrestrial and marine environments; 3) clogging storm drainage systems; 4) creating a burden for solid waste disposal and recycling facilities; 5) and requiring the use of non-renewable fossil-fuel in their composition. Studies have shown that even alternative “compostable” or “biodegradable” bags require very specific and controlled conditions in order to biodegrade, and have potentially negative environmental effects similar to conventional plastic bags. Such bags should therefore be subject to the same restrictions as conventional plastic check-out bags.

The purpose of this Bylaw is to protect the Town’s unique natural beauty and irreplaceable natural resources by reducing the number of single-use plastic check-out bags that are distributed in the Town of Weston and to promote the use of reusable bags.

Section 2. Definitions

The following words shall, unless the context clearly requires otherwise, have the following meanings:

- a. “Check-out bag” shall mean a bag provided by a store to a customer at the point of sale.
- b. “Department” shall mean the Weston Board of Health.
- c. “Health Agent” shall mean the Health Agent for the Weston Board of Health or its designee.
- d. “Recyclable paper bag” shall mean a paper bag that is 100% recyclable and contains at least 40% post-consumer recycled content, and displays in a visible manner on the outside of the bag (1) the word “recyclable” or a symbol identifying the bag as recyclable and (2) a label identifying the bag as being made from post-consumer recycled content and the percentage of post-consumer recycled content in the bag.
- e. “Reusable Check-out bag” shall mean a bag with handles that is specifically designed for multiple reuse and that is either (a) made of natural fibers (such as cotton or linen); or (b) made of durable, non-toxic plastic other than polyethylene or polyvinyl chloride that is generally considered a food-grade material that is more than 4 mils thick.
- f. “Retail Establishment” shall mean any business facility that sells goods, articles, food, or personal services directly to the consumer whether for or not for profit, including, but not limited to, retail stores, restaurants, pharmacies, convenience and grocery stores, liquor stores, seasonal and temporary businesses.
- g. “Thin-Film, Single-Use Plastic Check-Out Bags” shall mean those bags typically with handles, constructed of high-density polyethylene (HDPE), low density polyethylene (LDPE), linear low density polyethylene (LLDPE), polyvinyl chloride (PVC), polyethylene terephthalate (PET), or polypropylene (other than woven and non-woven polypropylene fabric), if said film is less than 4.0 mils in thickness.

Section 3. Regulated Conduct

- a. No Retail Establishment in the Town of Weston shall provide Thin-Film, Single-Use Plastic Check-Out Bags to customers.
- b. If a Retail Establishment provides or sells Check-Out Bags to customers, the bags must be one of the following: 1. Recyclable paper bag; or 2. Reusable Check-Out bag.

Section 4. Exemptions.

Thin-film plastic bags typically without handles which are used to contain dry cleaning, newspapers, produce, meat, bulk foods, wet items, and other similar merchandise are not prohibited under this bylaw.

Section 5. Enforcement

This Bylaw shall be enforced by any means available in law and in equity in accordance with the provisions of Sections 1 and 2 of Article V of the Weston Town Bylaws. The Weston Board of Health, Health Agent, or any police officer of the Town shall be “enforcing persons” for purposes of this Bylaw. Each day a violation exists shall be deemed a separate violation. The fine structure set forth in Article V, Section 2(c) shall be applicable to violations of this Bylaw.

Section 6. Effective Date

This bylaw shall take effect six (6) months following approval of the bylaw by the Attorney General or January 1, 2018, whichever is later.

PROPERTY TAX EXEMPTION ELIGIBILITY REQUIREMENTS FOR THE
ELDERLY.**

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Notwithstanding clause Forty-first A of [section 5 of chapter 59](#) of the General Laws, or any other general or special law to the contrary, and subject to sections 2 to 5, inclusive, the board of assessors of the town of Weston shall defer the real estate property tax payment for property of a person 60 years of age or older and occupied by him as his domicile, or a person who owns the same jointly with his spouse, either of whom is 60 years of age or older and occupied as their domicile, or of a person who owns the same jointly or is a tenant in common with a person not his spouse and occupied by him as his domicile, if the person claiming the exemption either alone or together with his spouse had combined income during the preceding year of an amount not to exceed the amount established by the board of selectmen and ratified by vote of the annual town meeting, provided that such person has owned and occupied as his domicile such real property in the town for 5 years or is a surviving spouse who inherits such real property and has occupied such real property as his domicile in the town for 5 years and who otherwise qualifies under this act.

SECTION 2. Any such person may, on or before December 15 of each year to which the tax relates or within 3 months after the date on which the bill or notice is first sent, whichever is later, apply to the board of assessors for an exemption of all or part of such real property from taxation during such year; provided, however, that in the case of real estate owned by a person jointly or as a tenant in common with a person not his spouse, the exemption shall not exceed that proportion of total valuation which the amount of his interest in such property bears to the whole tax due. The board of assessors shall grant such exemption provided that the owner or owners of such real property have entered into a tax deferral and recovery agreement with the board of assessors on behalf of the town.

The agreement shall provide that:-

(1) no sale or transfer of such real property may be consummated unless the taxes which would otherwise have been assessed on such portion of the real property as is so exempt have been paid, with interest at the rate of 4 per cent per annum for the first year and at an annual rate set thereafter by the board of selectmen provided that the rate set by the selectmen shall never exceed 8 per cent annum;

(2) the total amount of such taxes due, plus interest, for the current and prior years does not exceed 50 per cent of the owner's proportional share of the full and fair cash value of such real property;

(3) upon the demise of the owner of such real property, the heirs-at-law, assignees or devisees shall have first priority to the real property by paying in full the total taxes which would

otherwise have been due, plus interest; provided, however, that if such heir-at-law, assignee or devisee is a surviving spouse who enters into a tax deferral and recovery agreement under this clause, payment of the taxes and interest due shall not be required during the life of such surviving spouse. Any additional taxes deferred, plus interest, on the real property under a tax deferral and recovery agreement signed by a surviving spouse shall be added to the taxes and interest which would otherwise have been due, and the payment of which has been postponed during the life of such surviving spouse, in determining the 50 per cent requirement of subparagraph (2);

(4) if the taxes due, plus interest, are not paid by the heir-at-law, assignee or devisee or if payment is not postponed during the life of a surviving spouse, such taxes and interest shall be recovered from the estate of the owner; and

(5) any joint owner or mortgagee holding a mortgage on such property has given written prior approval for such agreement, which written approval shall be made a part of such agreement.

SECTION 3. In the case of each tax deferral and recovery agreement entered into between the board of assessors and the owner or owners of such real property, the board of assessors shall forthwith cause to be recorded in the registry of deeds of the county or district in which the city or town is situated a statement of their action which shall constitute a lien upon the land covered by such agreement for such taxes as have been assessed under this act, plus interest as hereinafter provided. A lien filed pursuant to this act shall be subsequent to any liens securing a reverse mortgage, excepting shared appreciation instruments. The statement shall name the owner and shall include a description of the land adequate for identification. Unless such a statement is recorded the lien shall not be effective with respect to a bona fide purchaser or other transferee without actual knowledge of such lien. The filing fee for such statement shall be paid by the city or town and shall be added to and become a part of the taxes due.

SECTION 4. In addition to the remedies provided by this act, the recorded statement of the assessors provided for in this act shall have the same force and effect as a valid taking for nonpayment of taxes under section 53 of chapter 60 of the General Laws, except that: (1) interest shall accrue at the rate provided in this act until the conveyance of the property or the death of the person whose taxes have been deferred, after which time interest shall accrue at the rate provided in section 62 of said chapter 60; (2) no assignment of the municipality's interest under this act may be made pursuant to section 52 of said chapter 60; and (3) no petition under section 65 of said chapter 60 to foreclose the lien may be filed before the expiration of 6 months from the conveyance of the property or the death of the person whose taxes have been deferred.
