

Dear Recreation Participant:

Due to the statewide restrictions on public gatherings announced on Sunday, March 15, the Weston Recreation Department is cancelling all programs and events through Monday, April 6. The Spring and Summer programming and events schedule will be adjusted as follows:

**All classes, clinics and programs starting prior to Tuesday, April 7 will be postponed:** The start dates for Spring programs will be delayed as necessary and a make-up dates will be added at the end. For example, if a family member is registered for Twinkle Toes Ballet which is scheduled to run April 2 through May 28, the new schedule will be April 9 through June 4.

**All classes, clinics, programs and events starting after April 7:** There is no change in the schedule of these events at this time. For example, Pickleball Introduction which is scheduled to run April 15 through May 13 is still scheduled as-is.

**Summer programs, camps, events and Memorial Swimming Pool:** As of right now, there are no schedule changes to summer programs, camps, Memorial Pool season, or other events including the Summer Concert Series.

**All schedules will be re-assessed as further local, statewide and/or nationwide restrictions dictate.**

**Stay Safe.** The Weston Recreation Department urges everybody to follow state and national guidelines for safety during this time. For information, visit [www.mass.gov](http://www.mass.gov) or [www.cdc.gov](http://www.cdc.gov).

For further questions on Weston Recreation programs, please call 781-786-6260 or visit [www.weston.org/recreation](http://www.weston.org/recreation).

Yours in health,

Weston Recreation Department
