**RE: Response to Arcadis Letter dated March 16, 2020 revised**

Dear Ms. Li and Members of the Board,

We have reviewed the updated letter dated March 16, 2020 provided by Mr. James Luker Jr., CPG, LSP (the "March 16 Letter") regarding the Proposed Conditions for Permitting for the Development of 751 to 761 Boston Post Road, Weston, MA.

As has been discussed with the Board over the last many months, the site is not subject to the Massachusetts Contingency Plan ("MCP"). Nonetheless, out of an abundance of caution and to respond to concerns raised by the Board, its consultants, and the community, we have been working collaboratively to be consistent with the MCP guidelines. Consistent with this approach, we agree with the proposed conditions of the March 16 Letter.

Respectfully submitted,
