DUTIES AND RESPONSIBILITIES OF WESTON’S ELECTED OFFICIALS: A GUIDE TO ASSIST VOTERS

Weston’s Town Government is supported by many volunteer boards and committees, a number of which are elected by voters. It is this dedicated group of volunteers who work with the operating budget, make policy, and who give of their time and talent to give back to the community to help make Weston the special place it is. Weston’s elected officials serve without compensation, with the exception of the Board of Assessors who receive a small annual stipend.

HOW CANDIDATES GET ON THE BALLOT
Candidates for an elected office are nominated during the annual Town Caucus, traditionally held in early March. At this event, Weston residents who want to serve are nominated to be a candidate for the available seat. If more than one person is nominated for a single seat, voters in attendance vote for the candidate they would like to see on the ballot. The two individuals to receive the most votes become the Caucus Nominee for the elected seat and is placed on the Town Election Ballot. Alternatively, if an individual is not nominated at the Caucus, they can take out Nomination Papers from the Town Clerk and obtain signatures to be placed on the Ballot or they can run a “sticker campaign” to be written in on the ballot by Weston voters. The Annual Town Election is traditionally held early in May before Annual Town Meeting and all four voting precincts report to the Town Hall Auditorium.

DUTIES AND RESPONSIBILITIES
To assist voters in selecting Caucus Nominees or in choosing the right candidate on election day, the following is a brief description of the duties and responsibilities of all of the elected offices. Additionally, the League of Women Voters typically hosts an annual Candidates’ Night shortly before the election. This is an opportunity for voters to meet the candidates and hear their views. Weston Media Center records the event for residents unable to attend.

The Select Board is the executive branch of Town Government. The Board consists of three members, elected for three-year terms. The Board acts as the Town's primary policy making body for a wide variety of issues affecting service delivery, finance, and development. They provide oversight in matters of litigation, act as the licensing authority, enact rules and regulations regarding traffic control, and are responsible for calling Town Meetings and approving the Town Meeting warrant. Furthermore, the Board is responsible for appointing the Town Manager, as well as several boards and committees that each play a vital part in Town Government, such as the Conservation Commission, the Permanent Building Committee (jointly with the School Committee), the Traffic and Sidewalk Committee, and several ad hoc committees for shorter term projects or studies.
