*Re: Updated Materials -Comprehensive Permit Application - The Village at Silver Hill*

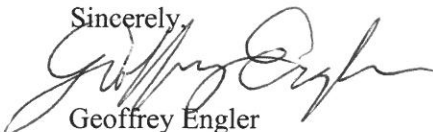

Dear Zoning Board of Appeals:

We have included some updated materials based on directives we received from the Board of Appeals as well as comments raised during the public hearing process in general. We have included a hard copy and electronic version of the following:

- Updated engineering plan set showing additional infrastructure improvements to both the stormwater management and septic systems.
- Updated landscaping plan inclusive of the additional changes and details requested
- Preliminary lighting plan and associated schedule of lights/fixtures
- Unit summary table which includes the proposed garage SF within the overall SF
- Updated elevations and floor plans to unit "2C" (aka Barn unit)
- Updated front, side and REAR elevations for type "A" unit
- Updated front, side and REAR elevations for type "B" unit
- Response to neighborhood consulting engineer (Patrick Garner) including an exhibit showing the dates and locations of all soil testing
- Response to May 18<sup>th</sup> 2016 letter issued by the Weston Planning Board

We look forward to discussing these materials with you at our next public hearing on June 13<sup>th</sup>.

Sincerely,

Geoffrey Engler
