1. Existing conditions depicted herein based on survey data provided by Metrowest Engineering, May 6, 2016.

2. Supplemental planting materials to be installed beyond the limit of work as depicted may require minor disturbance from limited machine access during installation only. Areas to be restored to previously existing conditions immediately after planting installation.

3. Existing trees to remain outside the limit of work shall be protected throughout the time of construction, as specified and directed by the project landscape architect.

4. In the attempt to save additional trees if permissible, final determination of trees to be removed may be coordinated in the field with the project landscape architect and a representative for the Town of Weston Planning Board if required.

EXISTING CONDITIONS DEPICTED HEREON BASED ON SURVEY DATA PROVIDED BY METROWEST ENGINEERING, MAY 6, 2016.

SUPPLEMENTAL PLANTING MATERIAL TO BE INSTALLED BEYOND THE LIMIT OF WORK AS DEPICTED MAY REQUIRE MINOR DISTURBANCE FROM LIMITED MACHINE ACCESS DURING INSTALLATION ONLY. AREAS TO BE RESTORED TO PREVIOUSLY EXISTING CONDITIONS IMMEDIATELY AFTER PLANTING INSTALLATION.

EXISTING TREES TO REMAIN INSIDE THE LIMIT OF WORK SHALL BE PROTECTED THROUGHOUT THE TIME OF CONSTRUCTION, AS SPECIFIED AND DIRECTED BY THE PROJECT LANDSCAPE ARCHITECT.

IN THE ATTEMPT TO SAVE ADDITIONAL TREES IF PERMISSIBLE, FINAL DETERMINATION OF TREES TO BE REMOVED MAY BE COORDINATED IN THE FIELD WITH THE PROJECT LANDSCAPE ARCHITECT AND A REPRESENTATIVE FOR THE TOWN OF WESTON PLANNING BOARD IF REQUIRED.
**TYPE A1 - HAMPTON BAY E271691LM LEXINGTON COLLECTION - WALL MOUNT**

**TYPE A2 - VINTAGE BARN SCONE - WALL MOUNT**

**TYPE B - HINKLEY HUDSON OIL RUBBED BRONZE ONE-LIGHT POST MOUNT**

**TYPE C - LED DOWNLIGHT - RECESSED CAN**

---

**TYPE D - FRENCH QUARTER ON YOKE BRACKET GAS LANTERN 24 INCH - PENDENT**

---

**Not to Scale**

- Made of durable cast aluminum and steel
- Clear, seeded-glass panels perfectly complement the housing and emit soft, low-light
- Wall mountable for easy installation
- Weather resistant for durability
- Model No.: E271691LM
- UPC No.: 686950312692
- Assembled height (in.): 14.38 in
- Assembled depth (in.): 9.66 in
- Assembled width (in.): 8.5 in

---

**CR Series**

- **Product Description:**
  - The CR Series CR 2300 is a 3000K version of exceptional 2300K light while achieving a high 90++ CRI, equivalent to a traditional incandescent light. CR 2300 is a high-performance LED light, but it also offers a traditional incandescent light-like lighting experience.

---

**Performance Summary**

- **Lighting Fixtures:**
  - LED 3000K Color Temperature
- **Product Features:**
  - High efficacy: 90+ CRI
  - High color rendering index (CRI)
  - High color temperature consistency
  - High color temperature stability

---

**Hanging & Accessory**

- **Hanging Directions:**
  - Ceiling mount
  - Wall mount
- **Accessory:**
  - Shade
  - Trim
