

## Weston Community Garden Registration Form

To register for a community garden plot, fill out the attached form and send or deliver it, along with the appropriate fee (payable to the Town of Weston), to MJ Wiss, 52 Sunset Road, Weston, MA 02493. Please note that:

- Returning gardeners are given priority to reclaim their plot from last year. The deadline for returning gardeners to register is April 1. Plots of returning gardeners that have not been claimed and paid for by April 1 will be released to new gardeners.
- New gardeners may contact the garden coordinator at 781-899-4045 or [weston.community.gardens@gmail.com](mailto:weston.community.gardens@gmail.com) starting March 1 of each year to request a plot assignment. No plot requests will be accepted from new gardeners prior to March 1.
- In order to best accommodate the demand for garden plots, gardeners may request up to 1 full plot and 1 half plot per household during registration.
- Plots will NOT be assigned to gardeners until a registration form and payment have been submitted.
